Mutual fund and commingled fund managers may be excused from making presentations to the Board.

10.3 PRESENTATIONS BY PROSPECTIVE CONSULTANTS AND PROFESSIONALS

In recognition of the limited time resources of the Board, presentations of prospective investment managers, performance monitors, custodians or other prospective professional advisors shall only be by written invitation of the Board. The Board shall maintain records of such prospective managers, monitors, custodians and other professionals to be reviewed by the Board in the event the Board wishes to consider adding or making a change in its current manager, monitor, custodian or other professional.

In the event the Board elects to consider retaining a new manager, monitor, custodian or other professional, prospective applicants, including those applicants who had previously provided information to the Board, may be contacted and provided with a Request for Proposal. The Board or a committee appointed by the Board may conduct the initial screening of applicants by reviewing the proposals received in response to the Requests for Proposals. The Board may then schedule personal presentations by a "short-list" of qualified applicants.

The Board may also decide to retain managers, monitors, custodians and other professionals by utilizing any other method which the Board deems to be prudent under the circumstances.

10.4 DIVESTITURE

No divestiture of any asset of the Fund shall be made for any reason other than fulfillment of the fiduciary obligations of the Fund or compliance with State law.

10.5 DECLARATION OF EXPECTED ANNUAL RATE OF RETURN

For each actuarial valuation, the Board shall seek the advice of its investment professionals and the actuary and then the Board shall determine the total expected annual rate of investment return for the current year, for each of the next several years and for the long term thereafter. This determination must be filed promptly with the Department of Management Services, with the City and with the Board's actuary.

10.6 INVESTMENT REPORTS TO THE CITY

The Board shall prepare annual fiscal year end reports for submission to the City Council, which shall include the investments in the portfolio by class or type, book value, income earned and market value as of the end of the fiscal year.

10.7 HIRING INVESTMENT MANAGERS

In recognition of the importance of professional guidance in the investment of the assets of the Fund, all investments shall be performed by qualified, professional investment managers. The investment managers shall be selected at a regular or special meeting of the Board of Trustees by a majority vote of the Board. The Board may delegate the initial screening of investment managers to a committee of the Board but no final decision shall be made except at a meeting of the Board. All proposals for investment manager services shall be presented in writing to the Board and shall be made a part of the records of the Board.

10.8 HIRING PERFORMANCE MONITORS

The Board shall engage at all times, at least one performance monitor who shall be responsible for reviewing the performance of the various investment managers of the Fund. The performance monitor shall report to the Board on such time schedules as the Board shall establish but not less than annually. The performance monitor shall advise the Board as to the relative performance of each investment manager as compared to the various stock, bond and cash indices as are generally accepted in the investment market place as reflective of satisfactory investment performance. The performance monitor shall recommend in writing to the Board the retention or discharge of investment managers and the reasons supporting its recommendation. At the request

of the Board, the performance monitor may perform evaluation and searches for investment managers and such other services as the Board shall request be performed.

10.9 INVESTMENT STANDARDS

The Board shall establish written investment standards in the Investment Policy Statement. The standards shall set forth the distribution of the Fund among equities, fixed income, cash and cash equivalents, and other forms of lawful investment. The standards shall set forth the relative percentages of the Fund to be distributed to each investment vehicle and shall establish permissible risk factors. Each investment manager shall subscribe to the Investment Policy Statement setting forth the written investment standards and performance goals and objectives of the Fund and the Investment Policy Statement shall be incorporated into each investment manager contract by reference.

10.10 DECISION MAKING AUTHORITY

The Board of Trustees shall determine the retention or discharge of any investment manager or performance monitor. The Board shall also establish the amount of funds to be entrusted to any investment manager and shall determine when funds shall be withdrawn and investments terminated. The Trustees shall not, however, participate in the selection of individual stocks, bonds or cash funds as that shall be the responsibility of the investment manager within the context of the performance goals and objectives and investment standards established by the Board.

10.11 WRITTEN CONTRACTS

Each investment manager and performance monitor shall enter into a written contract with the Board. Each contract shall include the provisions set forth in the Statement of Policy Regarding Contractual Provisions for Investment Managers which is Exhibit A to these Rules.

10.12 PROXY VOTING

The Trustees shall be responsible for exercising all proxies on equities held by the Fund. The Trustees shall comply on a voluntary basis with the standards of the Employee Retirement Income Security Act of 1974 in the voting of proxies. The Board shall, by contract or other written agreement, give all investment managers proxy voting responsibility and the Trustees shall monitor the voting of the managers.

The Trustees (along with the United States Department of Labor) do not consider the following practices by investment management firms with proxy voting responsibility to be consistent with their fiduciary responsibility:

- A. Declining to vote proxies;
- B. Voting proxies exclusively for management without analysis of the underlying issues;
- C. Permitting negligent or inaccurate record-keeping regarding proxy voting;
- D. Accepting directions from other parties;
- E. Permitting the absence of policies or procedures to assure the proper exercise of this fiduciary responsibility.

Any significant proxy items and the vote by an investment manager shall be reported in writing to the Trustees. Records of all proxy votes shall be maintained and made available to the Trustees or any agents acting in their behalf. All such records shall be maintained in accordance with the Florida Public Records Act.

It shall be the primary responsibility of investment managers acting on behalf of the Board to vote all proxies to enhance the value of the Fund assets. All tender offers shall be treated in the same manner with regard to record-keeping and asset enhancement.

Pursuant to Florida Statutes §112.662, when proxy voting, only "pecuniary factors" can be considered. As used in this policy, pecuniary factors are defined as a factor that an investment fiduciary "prudently determines is expected to have a material effect on the risk or returns of an investment based on appropriate investment horizons consistent with the investment objectives and funding policy of the retirement system. The term does not include the consideration of the furtherance of any social, political, or ideological interests."

12.3 REVIEW OF INTERNAL CONTROLS

The policies and procedures provided for in these Operating Rules and Procedures shall be reviewed by the independent certified public accountant as part of the financial audit to determine the effectiveness of such controls to prevent losses of funds which might arise from fraud, error, misrepresentation by third parties, or imprudent actions by the Board or employees of the City.

12.4 DETAILED ACCOUNTING REPORT

The General Counsel shall have demonstrated competence in the area of public employee retirement systems in the State of Florida and shall have been practicing law for not less than ten years. Competitive bidding is not required in the selection of legal services.

13.2 CONFLICTS OF INTEREST

In recognition of the requirement that attorneys be independent in their judgment as set forth in the Code of Professional Responsibility, no attorney may serve as General Counsel who is also performing legal services on the part of the City of Clermont or who otherwise engages in any legal services which the Board deems to be in conflict with its interests.

13.3 CITY OF CLERMONT CITY ATTORNEY

In recognition of the responsibilities of the City Attorney to the City of Clermont and the potential for representing competing interests, the office of the City Attorney may not serve in any legal capacity on the part of the Trust, unless agreed to for specific purposes.

13.4 PRIVILEGED COMMUNICATIONS

In all dealings between its General Counsel and the Board, the Board shall be deemed the client rather than any individual Trustee of the Board. All communications between the Board and

its General Counsel shall be privileged communications except where otherwise governed by the Government in the Sunshine Law.

13.5 AUTHORITY TO DIRECT

The General Counsel shall take direction from the Board of Trustees as may be given at the various meetings of the Board. In between meetings of the Board, direction to the General Counsel shall be given by the Chairman or other person directed by the Board. RULE 14

CLAIMS PROCEDURES

14.1 CLAIMS OF AFFECTED PERSONS

A. The Board of Trustees shall grant an initial hearing upon receipt of a written request ("Claim"), on matters which affect the substantial rights of any person ("Claimant"), including Members, Retirees, Beneficiaries, or any person affected by a decision of the Board of Trustees. In the case of disability claims, in addition to a written request the Board must also receive a written medical release authorization in a form approved by the General Counsel and a completed set of interrogatories prepared by the General Counsel and provided to the Claimant.

B. The Board shall review the Claim at an initial hearing within a reasonable time period sufficient to gather records and for full Board review, with due consideration given to the availability of the Claimant.

C. It shall be the function of the General Counsel, throughout the claims procedure, to assist the Board in the discovery and presentation of evidence in order to assure that the Board receives all relevant information prior to the Board's initial decision.

D. The Claimant shall have the right to be represented by counsel at any or all times throughout the claims procedure.

14.2 INITIAL HEARING

A. At the initial hearing, the only evidence to be considered by the Board shall be documentary evidence contained in the pension file, including but not limited to, correspondence, medical records and reports of treating physicians and/or examining physicians and evidence received pursuant to paragraph B.

B. Other than questions from the Trustees, there will be no taking of additional evidence at the initial hearing, except that the Claimant will be afforded 15 minutes to make a presentation, which shall be limited to comments and/or arguments as to the evidence or information already contained in the pension file, including the report of the examining physician.

C. Upon completion of the review of the Claim at the initial hearing, the Board shall enter an order setting forth its findings and conclusions on the Claim. The written order shall be provided to the Claimant. The order shall include:

(1) The specific findings and conclusions of the Board, including specific references to pertinent provisions of the Plan on which such conclusions are based;

(2) A description of any additional material or information that the Board may deem necessary for the Claimant to perfect his Claim, together with the reasons why such material or information is necessary; and

(3) An explanation of the right to a full hearing on the Claim and the time limit in which a full hearing must be requested in writing.

D. The decision of the Board at the initial hearing shall not be final until after the time has expired to request a full hearing or, if a full hearing is requested, until the Board makes a decision at the conclusion of the full hearing.

14.3 FULL HEARING

A. Any Claimant may request a full hearing on the issues presented to the Board at an initial hearing and upon which the Board has entered an order as provided in subsection 2.C. above.

B. A full hearing must be requested by the Claimant, in writing, within 30 days of the receipt of the Board's order. The order will be deemed received three days following the date it is mailed to Claimant at the address provided to the Board by Claimant or on the day it is emailed to the Claimant at the email address on file with the Board.

C. Upon receipt of the request for a full hearing, the Board will retain special counsel to ensure fair presentation of the case and to defend the Board's initial order. The full hearing shall be held by the Board when the Claimant and the Board's special counsel indicate that they are ready to present their case to the Board.

D. Copies of all documents to be offered into evidence at the full hearing, including depositions, and a complete witness list with names and addresses of witnesses expected to be called, shall be furnished to the Board and the Special Counsel by the Claimant at least 20 days prior to the full hearing. Documents not furnished to the Board within the prescribed time limit may be excluded from evidence at the full hearing if a reasonable explanation is not provided for the delay in providing the documents.

E. A Claimant or the Special Counsel may obtain discovery by deposition and/or interrogatories prior to the full hearing. Written notice of any depositions and/or interrogatories shall be given to the Special Counsel and the Claimant.

F. The costs of any discovery, except discovery requested by the Board or the Special Counsel, the appearance of witnesses at the hearing, and the making of a verbatim record of the proceedings shall be the responsibility of the Claimant.

G. The Claimant shall be responsible for the appearance of any witnesses which they wish to have testify at the hearing. The Board shall, however, have the power to subpoena and require the attendance of witnesses and the production of documents for discovery prior to and at the proceedings provided for herein. The Claimant may request in writing the issuance of subpoenas by the Board. A reasonable fee may be charged for the issuance of any subpoenas not to exceed the fees set forth in Florida Statutes.

H. Testimony at the full hearing may be submitted in the form of a deposition. Depositions timely submitted will be part of the record before the Board at the full hearing and will not be read in totality at the full hearing; provided, however, that this does not preclude the Claimant or the Special Counsel from reading parts of depositions in an opening or closing statement.

I. While the Florida Rules of Civil Procedure and the strict Florida Rules of Evidence do not apply to these proceedings, irrelevant and unduly repetitious evidence shall be excluded. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but it shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions.

J. Any person who knowingly gives false testimony is guilty of a misdemeanor of the first degree, punishable as provided in Section 775.082 or 775.083, Florida Statutes.

K. The file maintained by the Board, including but not limited to various medical reports therein, is part of the record before the Board at the full hearing.

L. All proceedings of the Board shall be conducted in public.

M. In cases concerning an application for pension benefits, including applications for disability retirement benefits, the burden of proof, except as otherwise provided by law, shall be on the Claimant seeking to show entitlement to such benefits.

N. In cases concerning termination of pension benefits, including re-examination of Retirees receiving disability retirement benefits, the burden of proof shall be on the Board.

O. Except as to those records which are exempted from the provisions of Chapter 119, Florida Statutes, Florida's Public Record Law, records maintained by the Board are open for inspection and/or copying during normal business hours at a reasonable cost for the copying.

P. Should a Claimant requesting an initial or full hearing decide to appeal any decision made by the Board, with respect to any matter considered at such hearing, the Claimant requesting an initial or full hearing will need a record of the proceedings and may need to assure that a verbatim record of the proceeding is made. The Claimant requesting an initial or full hearing will be responsible for obtaining a court reporter or otherwise making a record of the proceedings before the Board.

Q. The decisions of the Board after the requested full hearing shall be final and binding unless a timely appeal is made.

R. Within a reasonable period of time following a decision at the full hearing, the Board shall enter a final order setting forth its findings and conclusions and a copy of the order shall be provided to the Claimant.

S. Judicial review of decisions of the Board shall be sought by the filing of a timely petition for writ of certiorari with the Clerk of the Circuit Court, in the appropriate county.

14.4 CONDUCT OF THE FULL HEARING

A. The Chairman shall preside over the hearing and shall rule on all evidentiary, procedural, and other legal questions that arise during the hearing. The Chairman's rulings shall stand unless overruled by a majority of the Trustees present. The Chairman shall open the full hearing by explaining the procedures to be followed.

B. The Claimant shall have the right to be represented by counsel or be self-represented. The General Counsel shall advise the Board. The Special Counsel will be the advocate for the initial order.

C. The Claimant shall be allowed to make an opening statement not to exceed ten minutes.

D. Testimony of witnesses shall be under oath or affirmation. Depositions and affidavits shall be admissible.

E. The Chairman, any Trustee, the General Counsel, the Claimant or the Claimant's counsel, and the Special Counsel, upon recognition by the Chairman, may direct questions to any witness during the proceedings.

A. All applications for disability pensions shall be in writing. Forms for such applications may be provided by the Board.

B. Upon receipt of the application for disability, the General Counsel will provide the Claimant with a set of interrogatories or questions to be answered under oath and a medical release authorization. Both documents will be completed by the Claimant and returned to the General Counsel.

C. Upon receipt of the properly completed interrogatories and medical release authorization, the General Counsel will request medical records from all relevant treating physicians; personnel records from the employer, copies of relevant workers' compensation records, and copies of other records deemed to be relevant to the Claim. The Board shall pay, from the Fund, the cost of any medical examinations required by the Board and for copies of medical records.

D. The General Counsel will, upon receipt of the medical records from the treating physicians, schedule an independent medical examination (IME) or examinations with an appropriate independent examining physician or physicians who will be asked to render an opinion about Claimant's physical condition as it relates to the claimed disability.

E. Upon receipt of the IME report or reports from the examining physician or physicians, the General Counsel will provide all records of treating physicians, relevant workers' compensation claims records, the independent medical evaluation, and all other relevant documents to the Board for inclusion in the pension file and the Board shall then schedule the initial hearing.

RULE 15

CONFIDENTIALITY

15.1 EXTENT OF CONFIDENTIALITY PERMITTED

§§119.071(4)(a)1. and (4)(d)2.a., Florida Statutes, provides that the home addresses, telephone numbers, social security numbers, photographs and dates of birth of active or former sworn law enforcement personnel and; the names, home addresses, telephone numbers, social security numbers, photographs, dates of birth and places of employment of the spouses and children

of such personnel; and the names and locations of schools and day care facilities attended by the children of such personnel are exempt from the public records provisions of Section 119.07(1), Florida Statutes and §24(a), Article I, of the State Constitution.

15.2 REQUIREMENT FOR MAINTENANCE OF CONFIDENTIALITY

The Board will maintain the information specified in 15.1 as confidential, if it receives from a Member, the Union on behalf of all Members, or the City of Clermont a written request to maintain confidentiality.

15.3 CONFIDENTIALITY OF MEDICAL RECORDS

A. §112.08(7), Florida Statutes is an exemption of medical records and medical claims records from the public records requirements of §119.07(1), Florida Statutes and such records are thus confidential.

B. This exemption provides that the Board shall not furnish such records to any person except the employee or his legal representative without written authorization from the employee or, unless otherwise prohibited by law, it receives a subpoena issued in a civil or criminal action from a court of competent jurisdiction where the party seeking the records gave proper notice to the employee or his legal representative.

C. Since, under Government in the Sunshine, trustees can only discuss issues involving medical records of an employee in a public meeting, such an authorization should be signed by an employee prior to discussion by the Board. Upon consideration of the medical records at a public Board meeting, such records then become subject to disclosure in the same manner as any other public record.

RULE 16

INTEREST CALCULATIONS

16.1 INTEREST CALCULATION

17.1 DISABILITY REVIEW PROCEDURE

The Board shall periodically review the status of disability Retirees who may be eligible to return to employment with the City of Clermont as a Police Officer in accordance with the following:

A. An Affidavit of Disability Benefit Recipient (PF-6) shall be filed with the Board at least once every other year. Failure to file the affidavit shall result in a suspension of disability benefits.

B. Upon receipt of the affidavit, the Board shall determine whether the disability Retiree continues to be entitled to receive disability benefits pursuant to the terms of the pension plan.

C. If the Board determines that the disability Retiree is still disabled, then disability benefits shall continue to be paid.

If the Board determines that a Police Officer position appropriate for assignment may be available, and the disability Retiree may be able to perform duty in such position, an independent medical examination or examinations shall be performed at the Board's expense by a physician or physicians selected by the Board. A job description and physical or psychological requirements necessary to perform the position shall be provided to the independent medical examiner(s).

F. After receipt of the report or reports of the independent medical examiner(s), other medical evidence and determination of job availability, the Board shall determine whether disability benefits shall continue. A hearing, pursuant to the Claims Procedures (Rule 14), shall be set to determine whether or not the disability retiree continues to be eligible for disability benefits.

A. The Board of Trustees has a fiduciary responsibility to be certain that only those persons who are eligible to receive benefits from the pension plan are receiving payments.

B. The Confirmation of Receipt of Retirement Benefits form (PF-11) shall be sent to all service retiree recipients, every other year by the Plan Administrator, if the status of the retirees is not otherwise being verified, such as by the Custodian.

D. In the event that a benefit recipient fails to complete and return the form after the Board provides the form and follows-up with two additional requests for the return of the form (PL-4 and PL-6) , the Board shall set a hearing pursuant to the Claims Procedures (Rule 14), to determine whether or not the benefit recipient continues to be eligible for pension benefits.

RULE 18

SURVEILLANCE

18.1 SURVEILLANCE

Any Trustee who has reason to believe that a disability Retiree may be recovered from his disability and again able to perform useful and efficient service as a Police Officer and who further reasonably believes that surveillance of the Retiree, including the production of videotapes of the Retiree, will help to establish the fact of the recovery, may authorize the Board's General Counsel to arrange for such surveillance. Surveillance of disability applicants may also be authorized by any Trustee who reasonably believes that such surveillance will assist the Board in determining an applicant's ability to perform useful and efficient service as a Police Officer. The cost of any surveillance authorized by any Trustee shall not exceed \$3,000.00.

RULE 19

INSURANCE PREMIUM DEDUCTIONS

19.1 INSURANCE PREMIUM DEDUCTION AUTHORIZATION

A. As permitted by Florida Statute 185.05(6), upon the retiree's written request, the Board of Trustees hereby authorizes the plan administrator or Board designee to withhold from a retiree's monthly retirement payment those funds that are necessary to pay premiums for certain insurance policies.

B. Any retiree requesting such deduction under this policy shall be required, as a pre-requisite, to be receiving the payment of his monthly retirement benefits via direct deposit.

Request for termination of deductions under this policy must be on a form obtained from the plan administrator or Board designee and shall be effective as soon as reasonably possible.

E. A retiree requesting a deduction under this policy shall be required to have such deduction be made in an amount to cover the total premium for all eligible insurance benefits. Partial premium payments may not be made through the use of pension funds.

F. Any insurance premiums paid in accordance with this policy shall be paid on a regularly recurring schedule.

G. Premium payments made under this policy may only be made in equal monthly installments for each benefit year or the remainder of any benefit year as the case may be.

19.2 TAX-FREE PAYMENT OF INSURANCE PREMIUMS

As of January 1, 2023, retired eligible Public Safety Officers can exclude from gross income for tax purposes up to \$3,000.00 of income which was used by the retired eligible Public Safety Officer for the payment of health insurance premiums. This exclusion is claimed by the eligible Public Safety Officer on their personal income tax forms.

19.3 RETIREES WHO ARE ELIGIBLE FOR THE TAX-FREE PAYMENT OF QUALIFIED INSURANCE PREMIUMS

In order to be eligible for coverage under the pre-tax policy, the retiree must be a retired "public safety officer" as defined by 42U.S.C. 3796b(9)(A) and must meet all of the following conditions:

- A. Must have been a Police Officer at the time of separation from employment.
