Subject: RE: West Palm Beach Firefighters Pension: GRS Buyback Military Calculation Fee

Hi Jackie,

Our fee would be \$450. We do not know if reserve time counts or not – that would be a question for legal counsel.

Let us know if you need anything else – hope you're all staying safe and healthy down there!

Kevin

Good morning Kevin,

Would you please confirm the calculation fee for a Military Buyback? I saw from a previous calculation that it was \$300 but needed to be sure.

The firefighter is wanting to buy 1 year of active duty and he has the DD214 for back this up. He has currently in the reserves and has been for 8 years. I do not know if the reserve time is considered active and would be listed on a DD214, do you know the answer to that?

Thank you for your assistance!
