Mr. Breth briefly reviewed the market environment during the quarter ending March 31, 2015 and stated that the interest rates slightly decreased towards the end and most of the indices were up. He reviewed each manager's performance and noted that all the managers outperformed for the quarter and are doing great. The new Westwood account was funded in April so it is not reflected on this report and American Realty will be funded whenever they make their first capital call request. Mr. Breth commented that for the quarter the total fund outperformed the index net of fees at 3.46% versus 2.06% and for the fiscal year they are also ahead at 6.72% versus 4.76% net of fees. Lastly he reviewed the sector allocations and noted that he does not have any recommendations at this time for rebalancing or manager changes. Overall the fund is doing great!

ATTORNEY REPORT – CITY OF WEST PALM BEACH (PRESENTED BY: NANCY URCHECK)

Ms. Urcheck stated that she drafted some language in regards to the COLA benefit to try and simplify it, but she would like Mr. Parks to review it first because it can be very complicated. She will have the draft available for the Board at the next meeting.

The Trustees discussed the election and the vacant seat on the Board. Ms. Ross stated that she has held two election periods for an active member but has not received any nominations. With the amount of active members dwindling down, the Board asked Ms. Urcheck to draft some Ordinance language that would allow there to be 2 retiree seats on the Board and 1 active member seat (instead of the current composure of 1 retiree seat and 2 active member seats). Ms. Urcheck stated that she will start working on drafting the language for the next meeting and then it will need to go to Council.
